

How We Help

When your health care organization is facing a pharmacy challenge, we're here to help you find the right information, determine the best solution and get you back to serving your patient community.

Actions We Take

- ✓ Analyze Internal Relationships/Conflict of Interest
- ✓ Evaluate Opportunities and Analyze Risk
- ✓ Investigate Clinical and Financial Misconduct
- ✓ Monitor, Remediate and Recover Assets
- ✓ Respond to and Investigate Data Breaches including Fraud, Waste and Abuse Monitoring
- ✓ Secure Assets and People

Businesses We Serve

- ✓ Pharmacy Benefit Managers
- ✓ Health Plans and Managed Care Organizations
- ✓ Hospitals and Clinic Pharmacies
- ✓ Chain and Independent Pharmacies
- ✓ Health Care Litigators
